

MESSAGE FROM THE MAYOR

April 8, 2015

Fellow Syracusans:

Pursuant to Article VI, Chapter 1, Section 6-102 of the City Charter, I hereby transmit to you the budget I have approved for the City of Syracuse and the Syracuse City School District for the period of July 1, 2015 through June 30, 2016.

Overview:

Each budget cycle offers the City administration a chance to review its programs and services along with the associated revenues and expenditures. Faced with the difficulty in providing essential services with stagnant revenues, departments were challenged to tighten operations and work within budgetary constraints. The use of reserves continues despite these efforts. The City has used reserve funds to balance its budgets in the last four out of five years and this is the third consecutive year.

The School District has increased the amount of reserve funds applied to this year's budget in order to preserve programs and the level of service required in our community. For 2015-2016, they are projecting the use of reserves in the amount of \$25 million. The City is projected to use \$9.2 million of its reserves to balance its budget. Total City reserves at the beginning of FY 2015 are \$69 million. Reserves will decrease to \$54 million with the projected use of \$15 million for 2014-2015. The addition of \$9.2 million in this budget as presented will bring it further down to \$44.8 million. An infusion of new revenues through

growth or an increase in state aid is essential to stay fiscally sound and stem the use of these reserves in future budget cycles.

The 2015-16 budget contains a total appropriation of **\$674,966,313**. Of this amount, **\$283,763,059** (42%) funds City operations and **\$391,203,254** (58%) is allocated to the Syracuse City School District. The City's budget will have a decrease of 1.7% or \$5.1 million over the current fiscal year. The School District's budget will increase \$15.9 million or 4.2% over the current fiscal year.

The City tax levy will increase \$64,404 to \$33,928,036 due to an increase in assessed valuations on City property. The School District tax levy will increase \$81,744 to \$64,388,976 also due to an increase in assessed valuation on taxable property assessed on the School District.

This budget does not include a property tax rate increase or an increase in fees charged for water and sewer services.

City Revenues:

Sales tax, State AIM aid and property taxes compromise 83% of total City revenues. Sales tax is the only area of revenue growth. It is projected to increase \$2.7 million to total \$85.2 million for FY 2016. A 2.5% growth factor together with the formula change in the increased percentage of the one percent portion under the sales tax agreement with Onondaga County resulted in an overall 3.2% total growth rate.

FY 2016 represents the last formula change under the sales tax agreement. Future increases will be solely based on sales tax growth factors.

State AIM aid will remain at its current level of \$71.8 million. AIM aid has remained at the same funding level for five consecutive years. The City property tax levy will be \$33.9 million.

Other highlights on the revenue side of this proposal include:

- \$595,000 increase for new PILOT and shelter rent agreements for nonprofit properties. The City negotiated four new shelter rent agreements in FY 2015.

- \$472,000 increase in building permits to account for major construction projects such as the Hotel Syracuse, Excellus, Sibley's, and Syracuse Savings Bank buildings, new apartment construction on Remington Avenue and the continuation of the Inner Harbor build out.
- \$5.2 million for payment of prior year's taxes and associated fees and penalties for increased efforts to collect from delinquent property owners under threat of foreclosure and transfer to the Greater Syracuse Property Development Corporation.
- \$155,000 increase in annual alarm fees due to implementation of Ordinance #250-2014.
- \$465,000 increase in revenue for City owned parking garages and parking meters. New revenue control equipment, implementation of *Whoosh!*, the downloadable mobile app to pay for parking meters as well as an increase in downtown residential living and entertainment have increased the demand for parking.
- \$400,000 decrease in NYS highway aid for street structures and pavement improvements. This reimbursable revenue account is based on previous years completed projects.
- \$898,000 decrease in the estimate of 2015-2016 Uncollected City and School Taxes. As tax delinquent properties have been foreclosed and transferred to the Land Bank their status changes to a tax exempt property. Taxes are not levied on tax exempt properties therefore the amount of budgeted uncollectible taxes will decrease.
- \$110,000 increase for Parks Fees including Clinton Square due to increased participation in Park's programs and activities.
- Maintain interfund transfers of \$4.3 million from the Aviation, Water and Sewer Funds.

City Expenditures:

Decreased pension payments, change in the delivery model for retiree health care and lower debt service payments all contribute to the overall decrease in general fund expenditures. Total expenditures in the General Fund will decrease \$7.4 million from \$247.2 to \$239.8 million in fiscal 2015-2016.

Departmental Expenditures:

The City will see an increase of \$2.1 million or 1.6% in departmental expenditures from the 2014-2015 budget. This increase is primarily generated by increases in employee wages and salaries for those covered under negotiated labor agreements. Increased reimbursements from other funds and a \$700k decrease in functional operating expenditures are also contributing factors.

Pension Costs:

The City's projected pension expense across all funds is estimated to be \$26.4 million. This represents a \$2.1 million decrease over the 2014-2015 budget. The contribution rates for both the Employee Retirement System (ERS) and the Police and Fire Retirement System (PFRS) peaked in FY 2015.

FY 2016 will see a decrease in pension contribution rates which are as follows:

- ERS from 20.3% to 18.8%
- Police from 27.6% to 24.7%
- Fire from 32.0% to 29.0%

Budgeted expenditures are based on salary and contribution rate projections provided by the New York State retirement system a year in advance.

Since the City's fiscal year straddles two different State Retirement years apportionment is necessary since the state and the city have different fiscal year ends, March 31st and June 30th respectively.

For the 2015-2016 budget, pension expense is based on the following calculations:

- 75% of FY 2016 NYS Retirement System projected costs
- 25% of FY 2017 projected costs internally calculated based on FY 2016 projected billings

The NYS Retirement System has not issued its FY 2017 projection by the time the City prepares its budget. We calculate what we estimate the salaries will be based on the prior year and add in wage adjustments for overtime, any contract settlements etc. Expected long term retirement contribution rates are projected to stay flat for FY 2017.

The City will continue to pay its pension obligations in full and will not elect to amortize payments currently allowed under the State's Pension Stabilization Programs.

Healthcare Costs:

Healthcare expenditures for both active and retired employees continue to rise slightly across all funds. The City spent \$44.8 million for the fiscal year ending June 30, 2014 and is projected to spend \$45.6 million in the current year. The estimate for 2015-2016 is \$46 million.

Trend assumptions and inflationary factors of 6% for medical claims and 10% for prescription drugs were used in our gross calculations. We have been able to temper the increase with the following cost reduction measures:

- In January of 2015 all Medicare eligible members were transitioned over to a fully insured Medicare Advantage Plan administered by Humana Insurance Company.
- Implementation of an Employer Group Waiver Plan (EGWP) for prescription drug benefits paid on behalf of all Medicare-eligible retirees. This assures maximization of all government and drug company available subsidies.
- Increased contributions under all bargaining unit contracts.

Since the City is self-insured for all healthcare costs, including medical, dental and vision it has no control over the amount or the severity of medical claims. These costs will continue to rise as active employees become retired employees and new employees are hired to replace them. Any achievement of future cost reductions will require a change in plan design which must be negotiated with the labor unions.

There are currently 8,068 participants in the plan.

Expenditure Assumptions Include:

- A \$1.5 million commitment to the Say Yes to Education Foundation.
- \$2.6 million increase in salaries and wages for employees under negotiated contracts.
- \$1.5 million in continued funding of the Greater Syracuse Property Development Corporation.

- \$80,000 in funding for Tomorrow's Neighborhood Today.
- \$50,000 in continued funding for Literacy Coalition of Onondaga County to foster childhood literacy citywide.
- \$301,000 reduction for system integration services in the Internet and Networking Services account.
- \$250,000 for housing demolitions.
- Judgment and Claims account will continue to be budgeted at \$1,000,000.
- \$0 in allowances for negotiated wage increases. Since January 1, 2015 Firefighters Local 280 are operating without a contract. The School Crossing Guards have been without a contract since July 1, 2011 and as of January 1, 2016 all seven remaining bargaining units will be out of contract.
- Cash Capital spending at the recommended 2015-16 level of \$3.5 million per the approved City Capital Improvement Plan.
- \$3.9 million decrease in transfers to the Debt Service Fund to account for reduced principal and interest payments on bonded debt.
- New Office of Innovation funded through a grant from Bloomberg Philanthropies. An Innovation Team is tasked with finding creative and innovative solutions to pressing City problems.

All funding for the Board of Zoning Appeals, Board of Assessment Review and Summer Employment for At-Risk Youth has been transferred to the operating departments that administer these programs.

Mid Term Update:

In late March, a binding interest arbitration panel awarded members of Firefighters Local 280 a retroactive two percent wage raise for 2013 and 2014. It must be paid out by June 30, 2015 to avoid penalties. The cost of this award is estimated at \$2.6 million for the City's general fund. The mid-year report did not take this expenditure into account.

The mid-year report for 2014-15 that was filed with the Council on

March 15, 2015 reported sales tax revenue had increased over budgeted amounts by \$241,400. The April 3, 2014 sales tax receipt of \$14,027,442 was lower than budget. Annual sales tax revenue will now be adjusted to reflect a breakeven point for the year.

Special Funds:

The 2015-2016 budget requires no increase in the water and sewer rates. The current revenues generated by each fund are sufficient to sustain operations.

The operating certificate for the Syracuse-Hancock International Airport was transferred from the City to the Syracuse Regional Airport Authority (SRAA) on March 3, 2014. This transfer marked the final step in the process to transition the airport to an independent public benefit corporation. The Aviation Enterprise Fund will continue to exist as its employees will remain City of Syracuse employees until such time new bargaining contracts are negotiated with the unions. These negotiations are currently in process.

The City's General Fund will continue to receive cost reimbursements for services performed and the amount of debt service to be paid on outstanding Airport bonds. All Airport bonds issued by the City remain the obligation of the City. The City will recognize as revenue these payments from the SRAA to the City.

The Downtown Committee and Crouse –Marshall Special Assessment rates will remain at the same funding level as in previous years.

City School District:

The School District has submitted a proposed budget of **\$391,203,254** that was voted by the Board of Education on March 19, 2015. This represents a 4.2% increase over the prior year. The proposed budget is balanced based on the assumption that an additional \$12 million in Operating Aid will be granted. To date, the State has just released the school aid runs and the District is evaluating the effect on the proposed budget. Components within both the revenue and expense sections are expected to change to recognize changes in State funding, use of Fund Balance and to make related updates to expenditures maintaining a balanced budget.

These changes will be made through Council amendments during the Budget approval process.

The 2015-16 proposed budget also proposes the use of one time revenues including \$25 million in fund balance. Additionally, the District's request to use \$31.7 million in State Chapter One accruals is included in the proposed revenue plan. There is no increase in this amount from the previous year.

An additional fiscal challenge this year has been the reduction and expiration of several grants, including School Improvement Grants, Teacher Incentive Fund, and Race to the Top. Expenditures to support these programs will either be reduced or shifted to the General Fund.

The Board of Education will be adopting its final budget at their April 15, 2015 board meeting.

This budget proposal includes the following highlights:

- Additional \$12 million in State Aid will fund the following initiatives:
 - \$1.5 million-Services for English Language Learners
 - \$2.0 million-Robust Career and Technical Education (CTE) programming
 - \$2.0 million-High Quality Alternative Education Programming and Systems of Support
 - \$5.5 million-Investment in Priority Schools
 - 1.0 million-Blended Learning Environments
- 70 new positions, 52 represent instructional staff
- \$1.9 million increase for payments to charter schools for their increased enrollment
- District expenditures will increase 4.2 % or \$15.9 million in the following areas:
 - o \$9.6 million increase in salaries
 - o \$1.6 million reduction in employee benefits
 - o \$1.7 million increase in supplies and equipment
 - o \$12.8 million increase in Contractual Expenditures
 - o \$6.6 million reduction in Debt Service and other expenses

The District is currently negotiating new contracts with all bargaining units with the exception of the administrator's union. That contract will expire in July.

A tabular comparison of the 2014-15 and 2015-16 School budgets is displayed on page 289 of the budget.

Conclusion:

The City of Syracuse has made a significant progress in meeting the new challenges facing our community. From dynamic investments in programs like Say Yes to Education and the Land Bank to making efficient choices with healthcare and pensions, the City of Syracuse is a growing city on the move. Innovation and ideas are the new way of leading a government and making decisions for a twenty first century city and Syracuse will continue on our path of progress. The City will continue to exercise discipline over our finances and advocate for fundamental reform and support on the state and federal levels.

As you begin your schedule of committee meetings and deliberations, pledge my full cooperation, and that of my staff, to assist in your review.

Sincerely,

Stephanie A. Miner
Mayor

NARRATIVE SUMMARY OF REVENUE ACCOUNTS

NARRATIVE SUMMARY OF 2015/16 CITY REVENUE ACCOUNTS

REAL PROPERTY TAX ITEMS

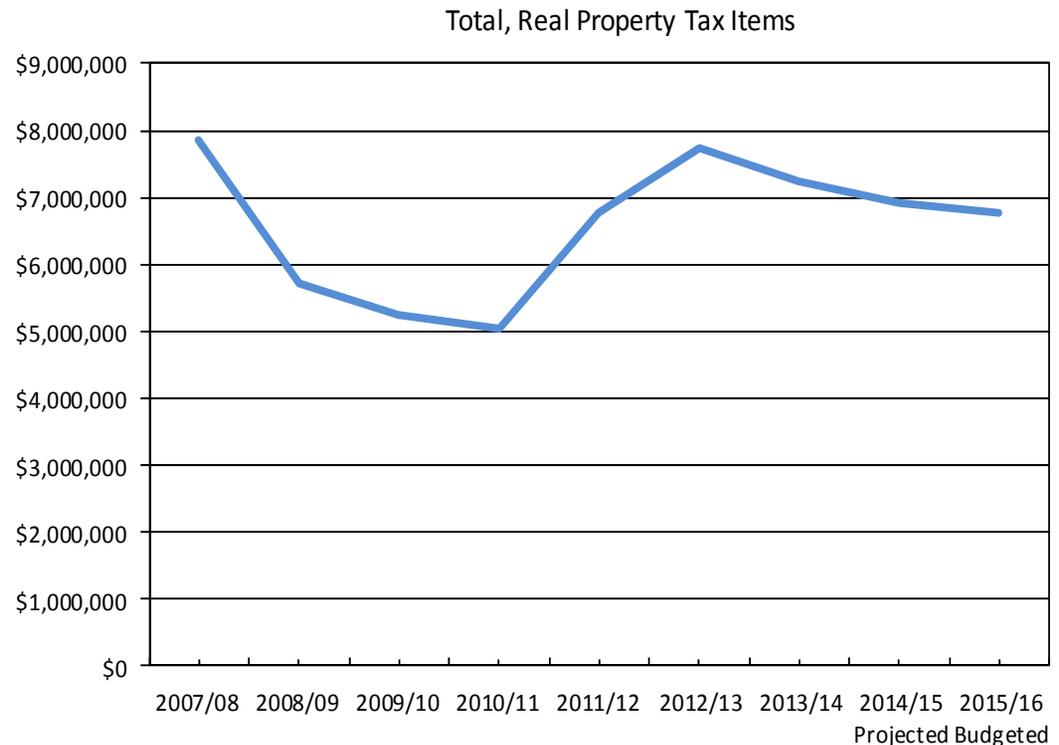

01.1001 LESS: UNCOLLECTED TAXES - CURRENT YEAR: Beginning in 1989, the City started to budget for the uncollected portion of each year's combined City and School District levy, that was anticipated to exceed 1% of the tax budget already added individually to the City's and School District's tax budget as required by New York State Law. The inclusion of the Uncollected Taxes account was recommended by staff of the State Comptroller as part of the City's efforts to be more in compliance with State finance requirements.

01.1002 SPECIAL LIGHTING TAX: Properties located in special lighting districts are assessed fees to cover the cost of installation and maintenance of specialized street lighting. Examples of districts include the Bradford Hills area, certain streets in the Westcott area and Armory Square.

01.1003 ASSESSABLE IMPROVEMENTS: The City provides some services, namely sidewalk and vault reconstruction, and charges the taxpayer for these improvements on the tax bill. This account records the anticipated revenues for the year.

01.1004 ASSESSABLE IMPROVEMENTS BUYOUT: Beginning each fiscal year, the General Fund makes various operating funds whole with regards to special assessments charged on the tax levy (e.g., unimproved street charges). This *negative* revenue represents the difference between the total special assessment taxes purchased by the General Fund, and the expected collections of these charges during the fiscal year.

01.1050 PRIOR YEARS' TAX COLLECTION: This revenue account represents an estimate of prior years' City and School District taxes which will be collected in Fiscal 2015/16. The amount included in the budget is based on an average of recent years' collections. Prior to the 1994/95 budget, the amount used for Less: Uncollected Taxes Current Year was actually a combination of prior years' tax collection and the current uncollected. The 2015/16 Budget displays both components, showing two gross amounts instead of one net figure.

01.1090 TAX FEES AND PENALTIES: These payments represent late fees and delinquency penalties for City property taxes, which accrue at 1.5% per month for current year's taxes (with an annual maximum rate of 12%) and fees from tax sales certificates which accrue at 1% per month. Also included in this account are proceeds from tax sale certificates. Tax sale certificates represent unpaid taxes from previous years that are filed as a lien on or about October 6th of each year.

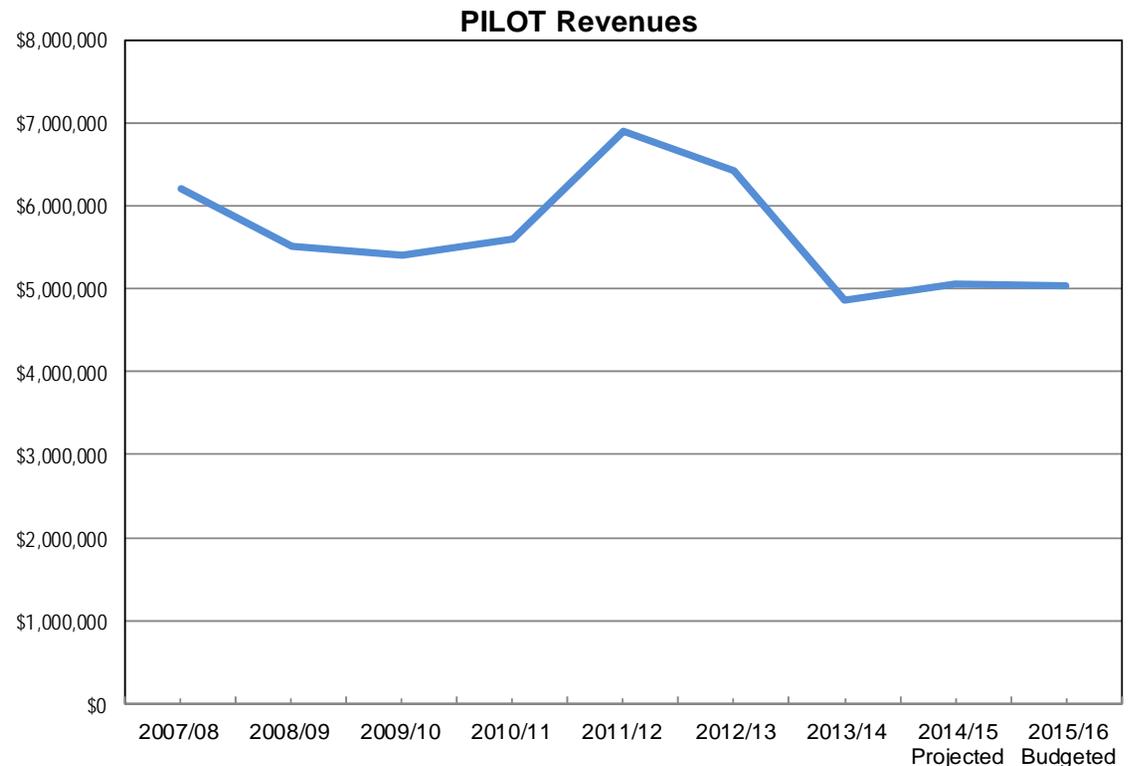

01.1081 PILOT- NON-PROFIT HOUSING: Payments-in-lieu of-taxes for senior citizen high-rise apartment buildings. These payments are negotiated on the basis of a shelter rent formula representing 10% of gross receipts less the cost of utilities and uncollected rents.

01.1082 PILOT SOLVAY PAPERBOARD: Payments-in-lieu-of-taxes for the Solvay Paperboard Company.

01.1083 PILOT - ONTRACK: Payments-in-lieu-of-taxes made by the Syracuse, Binghamton and New York Railroad Corp. to the Onondaga County Industrial Development Agency for operation of rail services linking various commercial and recreational centers in the Syracuse area. The base payment consists of 5% of ticket and other gross revenues, of which the City receives a prorated share based on the percentage of taxes owed to it and the surrounding areas on which the track is operated.

01.1084 PILOT - S.I.D.A.: Payments-in-lieu-of-taxes from development projects exempt from property taxes due to ownership by the Syracuse Industrial Development Agency, such as the Galleries and the AXA Towers. These PILOT agreements are on file in the Finance Department and typically are based on such factors as assessed value and rentable square footage. Includes only unrestricted income available to the City's General Fund.

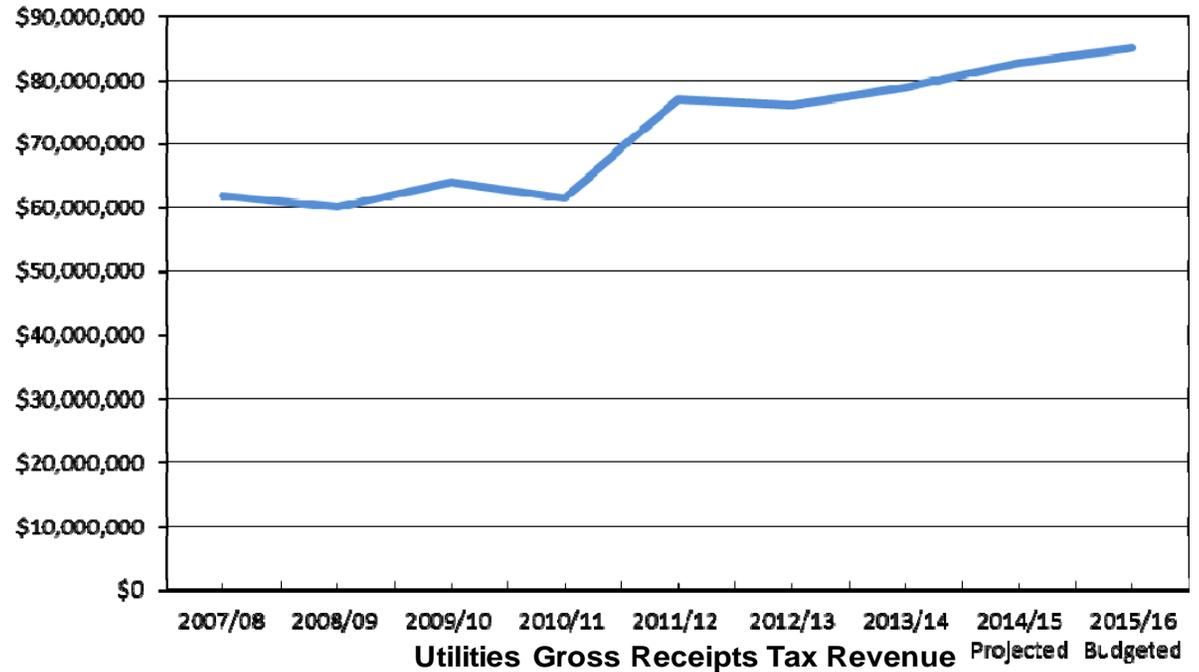

01.1085 PILOT- SYRACUSE UNIVERSITY DOME: A payment-in-lieu-of-taxes that is paid by Syracuse University for all entertainment and professional sporting events at the Carrier Dome. The payment is equal to a charge of \$.75 per ticket on all such events, or \$100,000, whichever is greater.

NON-PROPERTY TAXES

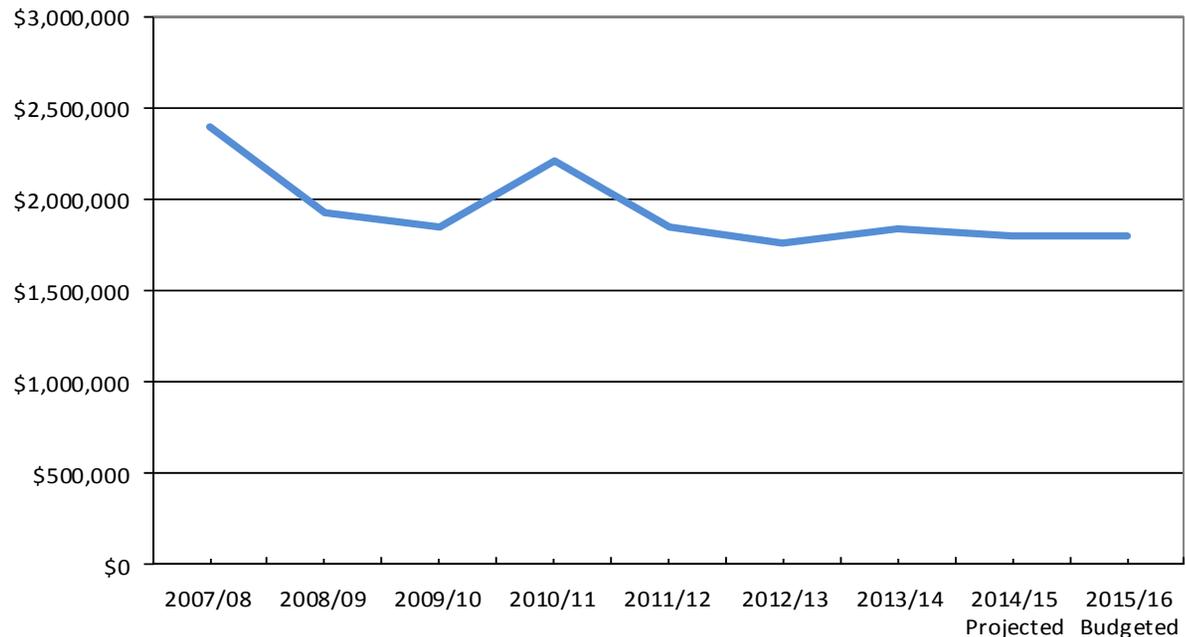

01.1110 SALES TAX: The sales tax rate in Onondaga County is 8%. New York State receives 4% of these revenues, while Onondaga County currently shares the remaining 4% local tax with the City of Syracuse, and the suburban Towns, Villages and School Districts pursuant to a 2000 City/County agreement. In May 2010, a new agreement was adopted that governed the distributions for 2011 through 2020. Over the course of the decade, the Town, Village and School District shares will be significantly reduced. For the transition year of calendar 2011 only, the City received a reduced share of approximately 19.5% of the total. From 2012 onward, the City's share ratcheted up and then will stabilize at approximately 24.47% of the total in year 2016.

Sales Tax Revenue

01.1130 UTILITIES GROSS RECEIPTS TAX: Syracuse imposes a 1% tax on the gross income of utility company transactions in the City. Two of the utility companies affected by this tax are the National Grid Power Corporation and Verizon.

Utilities Gross Receipts Tax Revenue

01.1170 C.A.T.V. FRANCHISE TAX: Time Warner Cable Inc. is assessed a 5% tax on gross receipts, payable in quarterly installments. The State assesses a fee based on the amount it needs to run the State Cable Commission, typically about .8%. The City receives the remainder for its purposes.

01.1171 RIGHT OF WAY FRANCHISE TAX: This tax represents Fibertech Networks' fee for using our conduits for their cable. These fees are billed by linear foot of conduit used.

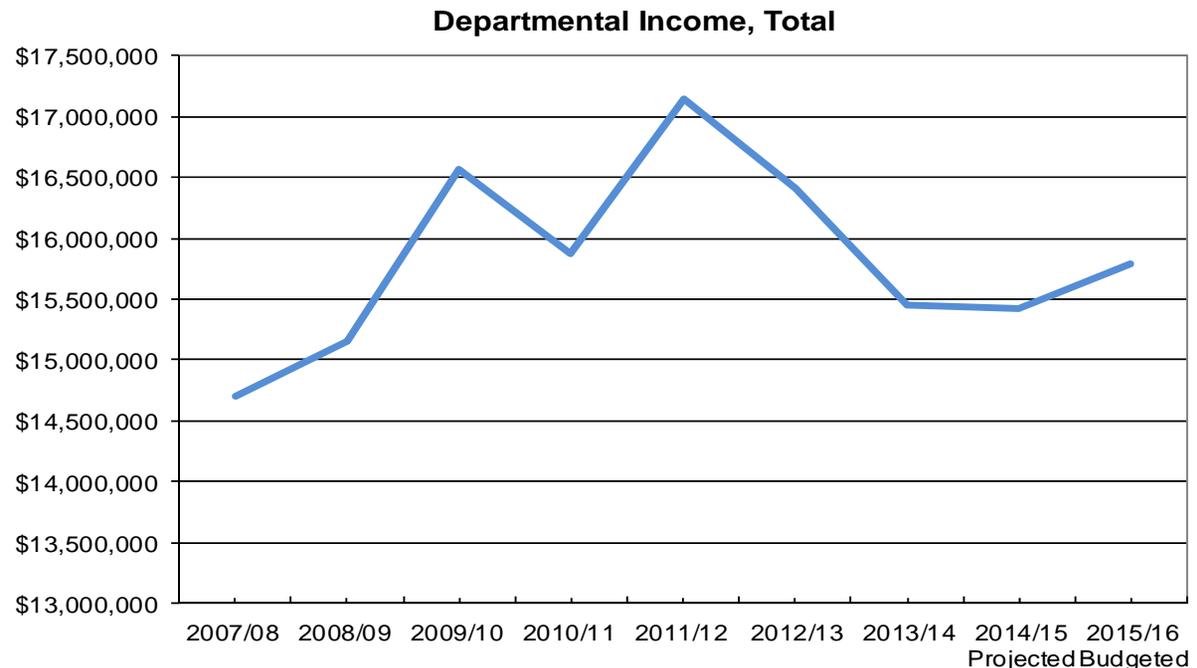

01.1590 DOME STADIUM REIMBURSEMENTS: Beginning July 1, 2011, a new agreement was reached between the City and Syracuse University relating to traffic control for events held at the Carrier Dome. This agreement took effect as of July 1, 2010 and shall continue through June 30, 2016. The City provides all manpower for traffic control for scheduled events and the cost is shared by the City and SU. The City funds up to a maximum cost of \$150,000 for the current year and SU pays all remaining costs. The City's share is adjusted annual by the change in salaries.

01.2591 S.U./CITY SERVICE AGREEMENT: Per an agreement with Syracuse University and the City, the University will make annual payments to the City based on the transfer of title of various streets in the University area from the City to Syracuse University. The transfer, which occurred in July 1994, provided for payments over a twenty year period, starting at a base amount of \$250,000 and increased annually based on the Consumer Price Index. This agreement was amended July 2011, to extend the agreement until June 30, 2016.

01.2592 SU SERVICES: The City and Syracuse University entered in to a five year agreement commencing on July 1, 2011 and ending June 30, 2016. The University's annual payment of \$500,000 shall be made on or before August 31st each year beginning August 31, 2011. This payment shall be in addition to payments made by the University pursuant to other agreements between the University and the City.

01.2593 SUPPLEMENTAL SUPPORT – MISC.: The City and Crouse Health Systems, Inc. entered in to a five year agreement starting January 1, 2013 and ending December 31, 2017. This agreement was approved by the Common Council under Ordinance 607-2013. Crouse Health Systems will remit an annual payment of \$50,000 which shall be made on or before January 31st each year.

Currently, there are several locations in the City that hold Bingo events.

OFFICE OF PERSONNEL AND LABOR RELATIONS

I. Program Responsibilities:

The Office of Personnel and Labor Relations is a staff agency responsible for planning, formulating, disseminating and administering all policies and procedures, which govern the hiring of City employees. Terms and conditions of employment provided under the N.Y.S. Public Employment and Relations Act are negotiated with City bargaining units and administered by this office. It also coordinates civil service procedures with the Onondaga County Department of Personnel. This office is further responsible for the administration of employee benefits programs.

Labor management functions are complemented with a comprehensive city-wide risk management program. This function includes the administration of employee's health and dental insurance programs, workers compensation claims, unemployment insurance and OSHA audits and inspections.

Programs are offered to educate employees about maintaining a safe and healthy work and home environment. This is accomplished by referring employees to the various counseling services (i.e., depression and stress counseling, marital counseling, financial planning, understanding diversity, supervisory training and other employee health/wellness issues) offered by the City's Employee Assistance Program (EAP).

DEPARTMENT OF AVIATION

I. Program Responsibilities:

The Federal Aviation Administration, under the US Department of Transportation, effectively transferred the management of the Syracuse Hancock International Airport to the Syracuse Regional Airport Authority (SRAA) on March 1, 2014. While the City continues to own the airport property and buildings, it leases them to the SRAA. The Department of Aviation (DOA) under the direction of the Deputy Commissioner of Aviation continues to oversee 100 plus positions which include accounting/financial, custodial, maintenance, operations and trades. The SRAA is responsible for the safe and efficient operation of the airport. During calendar year 2013, 2.01 million passengers used the City-owned airport. There are 5 major passenger airlines, 15 commuter passenger airlines and 3 cargo airlines. The City also leases land and hangar space to one fixed-base operator (Landmark), land to one private hangar (National Grid), land to one cargo facility (Aeroterm) and additional land and space to several other airport and aviation related tenants and concessions. The SRAA operates and maintains Syracuse Hancock International Airport as a Federal Aviation Regulation Part 139 Certified Airport Facility. The facility encompasses 2,000 acres of land approximately 6 miles north of the City of Syracuse spanning 4 towns: Cicero, Clay, DeWitt and Salina. The SRAA in conjunction with the DOA maintains a 400,000 plus square foot passenger terminal, supports a private 100,000 square foot cargo facility, 8 miles of fence, 100 lane miles of pavement, 2,055 runway and taxiway lights, 5,100 parking spaces (including employee), hundreds of electro-mechanical devices and a fleet of fire rescue and snow removal equipment.

SYRACUSE CITY SCHOOL DISTRICT BUDGET

CITY SCHOOL DISTRICT BUDGET FOR THE PERIOD JULY 1, 2015 – JUNE 30, 2016

The Syracuse City School District submitted a general fund budget request of \$391,203,254 for fiscal year 2015/2016, a \$15,850,980 increase from the 2014/2015 authorized expenditure budget of \$375,352,274.

The Mayor's proposed budget maintained the District's spending ceiling at this level, a 4.2% increase from the 2014/15 budget. The school property tax rate is kept stable in this plan at \$17.3507 per thousand by lowering the tax levy in proportion to the increase in the assessable tax base. The City is transferring an additional \$228,935, to the District to meet maintenance of effort requirements. Following the release of the New York State budget, the Board of Education approved a new budget as shown below and the Common Council passed amendments on May 6th confirming the revised budget.
