Short Environmental Assessment Form

Part 1 - Project Information

Instructions for Completing

Part 1 – Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information			
Name of Action or Project: Resubdivision of a 12' strip of a vacant parcel and an occupied three-family family home			
Project Location (describe, and attach a location map): 14 and 102 East Kennedy Street in Syracuse, NY			
Brief Description of Proposed Action: Applicant intends to combine a 12' strip of the vacant lot at 104 East Kennedy Street with an occupied parcel. The Applicant uses this 12' strip as his driveway for access to the rear of his property. The applicant wants to increase the value of his property. This fulfills part of the mission of the Land Bank by putting the property back into productive use. In addition, the property will return to the tax roles, increase surrounding property values and improve the entire neighborhood. The balance of 104 East Kennedy Street will be landbanked for future development.
