Dear Mr. Vandrei:

Thank you for requesting the comments of the Division for Historic Preservation of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the submitted materials in accordance with the New York State Historic Preservation Act of 1980 (section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources. They do not include potential environmental impacts to New York State Parkland that may be involved in or near your project. Such impacts must be considered as part of the environmental review of the project pursuant to the State Environmental Quality Review Act (New York Environmental Conservation Law Article 8) and its implementing regulations (6NYCRR Part 617).

We note that the project site is located adjacent to the following properties which are eligible for or listed in the State and National Registers of Historic Places:

- 514 E. Willow Street, located directly across the street to the south (Eligible)
- First English Lutheran Church, located across the street to the southeast (Listed)

We have reviewed the project submission received on 1/22/2019. Based upon this review, it is the OPRHP's opinion that the project will have No Adverse Impact upon historic resources.

If there are substantive changes to the project, consultation with our office should resume. If you have any questions, I can be reached at (518) 268-2217.
